## KINGS FROM QUEENS | EDITOR | 2023

Three part docu-series from **Peacock** and Believe Entertainment Group featuring the trailblazing story of hip-hop legends **Run DMC**. The series gives an exclusive inside look at the bands meteoric rise, unexpected tragic loss of bandmate Jam Master Jay, and their induction to the Rock n' Roll Hall of Fame.

## TX MUSIC REVOLUTION | EDITOR & WRITER | 2023

Feature length documentary celebrating Texas Country Music and its roots-where, at the crossroads of purist country and Americana has evolved the iconic 'red dirt' Waylon-and-Willie style considered one of three pillars of American country music. Featuring **Kiefer Sutherland**, Charlie Crockett, and Ray Wylie Hubbard.

## BILLION DOLLAR BABIES | EDITOR | 2022

Feature Length documentary directed by Andrew Jenks best known for Dream/Killer 2015. Narrated by Neil Patrick Harris who also served as EP alongside Believe Entertainment Group Dan Goodman, Brian Hunt, William H. Masterson III and **NBCUniversal**. The film made its premiere at **Tribeca Film Festival**.

## LEAP | CREATIVE DIRECTOR & FILMMAKER | 2013-21

For over 10 years I have been practicing as an **Addy Award Winning** commercial film director, editor, and creative director for LEAP agency creating digital and broadcast content for brands like Carnival Cruise, Deep Eddy Vodka, Lunazul Tequila, Cintas, P&G and Hershey's. I have collaborated with agencies including Saatchi & Saatchi, Publicis, Grey, and Golin.

## VENOM & FIRE | EDITOR & DIRECTOR | 2012

Short documentary selected as a finalist for the International Documentary Challenge. The short film premiered at **Hot Docs Toronto Film Festival** and was awarded **BEST DIRECTOR** and BEST MUSIC. The film was directed, edited, and composed by Brandon Faris.
